In support of improving patient care, the University of Wisconsin–Madison Interprofessional Continuing Education Partnership (ICCP) is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

The University of Wisconsin–Madison ICEP designates this live activity for a maximum of 9 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CONTINUING EDUCATION UNITS
The University of Wisconsin–Madison ICEP, as a member of the University Professional & Continuing Education Association (UPCEA), authorizes this program for .9 continuing education units (CEUs) or 9 hours.

NEED STATEMENT
This activity is being held in response to mental health professionals’ previous conference evaluations and the need for ongoing continuing medical education for clinicians in the area of psychiatry.

TARGET AUDIENCE
This activity has been designed to meet the needs of clinicians and other healthcare professionals who are looking to enhance their knowledge and skills for the care of their patients with mental health issues.

ELEMENTS OF COMPETENCE
This CE activity has been designed to change learner competence and focuses on the American Board of Medical Specialties areas of medical knowledge and patient care and procedural skills.

LEARNING OBJECTIVES
At the conclusion of this activity, participants should be able to:
• Weigh the risks and benefits of novel approaches to treating depression, including pharmacogenomic testing and ketamine.
• Describe the challenges of managing ADHD in children and adolescents with co-occurring substance use disorders.
• Apply the principles of trauma-informed care to their treatment of patients with post-traumatic stress disorder.
• Develop a formulation and treatment plan for patients with borderline personality disorder based on the most recent understanding of this disorder.
